**Your application number 3021570**

Dear Arnold Mbuthia,

With your application you chose one - or more than one - university that requires all its international applicants to have their applications pre-checked by uni-assist. We now completed our evaluation and would like to inform you accordingly:

**Universität Potsdam  
Master of Science - Data Science**

We regret to inform you that your application could not yet be forwarded to the university you applied to.

**Reason(s):**

By the time we received your application form and/or the necessary documents, **the application deadline had already expired**. Therefore it is no longer possible to forward your application to the university. If you wish to reapply, then please enquire at the university about the application deadlines.

uni-assist has carried out the pre-check of your documents with the greatest care and accuracy. Should you however feel that we have made a mistake in our pre-check, please write to us. State the reasons for your complaint and please include your application number. uni-assist's management will look into your complaint and get back to you in writing. If you still disagree with this response, we will forward your application to the respective university. The university will then issue you a decision vested with legal capacity.

Sincerely,  
Your uni-assist-team
